(Designation) ~~Offg. Surgeon-General with~~ the Government of Madras.

To The Secretary to the Government of Madras,

Education & Public Health Department.

Sir,

I have the honour to address Government for an additional staff nurse in the Government Headquarters Hospital, Mangalore.

2. This hospital is a training centre for nurse pupils who undergo the first part of their training in sick nursing and has 100 beds. The sanctioned strength of nursing staff in the hospital consists of one sister, 2 staff nurses, and four pupil nurses. The Superintendent of the hospital reports that the present staff is very inadequate to make any

satisfactory arrangements for carrying on the nursing work of the hospital day and night. A copy of letter R.No.100-H. dated 30th May 1936 received from the Superintendent, District Headquarters Hospital, Mangalore explaining the need for an additional nurse is enclosed for the information of Government. According to the ratio of 1 staff nurse and 2 pupil nurses for every 20 beds as laid down in G.O. No.2858 P.H. Mis. dated 19th November 1929 the hospital is elegible for 5 staff nurses and 10 pupil nurses. As the present staff is far below this permissible ~~unit~~ limit, I consider that an extra nurse is absolutely essential for carrying on the nursing work of the hospital.

In the circumstances it is requested that the Government will kindly consider the proposal as a Part II scheme in connection with the Budget Estimate for 1937-38.

A statement showing the extra cost involved in the proposal is attached.

I have the honour to be,

Sir,

Your most obedient servant,

Sub: Establishment Medical Government Headquarters Hospital Mangalore - Nursing Staff - Additional Staff of one Nurse and one Nursing orderly - Sanction requested.

--

I have the honour to state that great difficulty is being felt for want of nurses and nursing orderlies in the Headquarters Hospital, Mangalore. The present nursing staff consists of one Sister, 2 staff nurses, 4 pupil nurses and 10 nursing orderlies. This is quite insufficient for a hospital of 100 bed-strength. In the day time one staff nurse with one Pupil nurse to assist her will be in charge of the surgical ward and two pupil nurses will be in charge of the medical ward. And on nights one staff nurse and one pupil nurse will be in charge of the Surgical and Medical Wards respectively. The pupil Nurses being raw and untrained it is very difficult to extract responsible work from them.

The difficulty is all the more felt when there are patients in the Special Ward. For instance at present there are two patients in the Special Ward paying a hospital stoppage of 3/- Rupees per day. As the Special Ward is situated in a corner of the building, it is not possible for any of the nurses or nursing orderlies to pay special attention to these patients throughout the day and night. At nights it is found very difficult as there is only one Nurse and one Nursing Orderly to look after the Surgical Ward and the Special Ward. The patients in the special ward require constant attendance, the Nurse will have to attend on these cases at the cost of the patients in the General Wards.

Further the number of in-patients in this hospital ~~are~~ daily on the increase and the insufficiency of the Nursing Staff is keenly felt. And when the Pupil nurses are granted leave, it is still worse.

Under these circumstances, I request that the appointment of one additional staff nurse and one more nursing orderly at least may be sanctioned for the staff of this hospital, at present.

C.No. 5929 from the S.G. No. 881- S.G. d/ 11-7-'36.

29 JUL 1936 FINANCE DEPT

The S.G. recommends the employment of an additional staff nurse in the Govt. Headquarters Hospital Mangalore. The following is a statement showing the existing and proposed staff as well as the staff that is admissible for the hospital.

Headquarters hospital, Mangalore. No. of beds 100

	Daily average No. of patients treated in the in-patient dept.	Existing Staff.	Proposed staff.	Staff admissible
	94.20		One sister	5 staff nurses.
1933	102.50	98.82	Two staff nurses	1 staff nurse.
1934	99.97		Four pupil nurses.	10 Pupil nurses

The statement above will show that the additional staff nurse asked for is absolutely necessary. The proposal may therefore be accepted and may be treated as a Part II scheme for 1937-38. The ultimate cost on account of the proposal is Rs. 1,622/- (Rs. 180/- non-recurring and Rs. 1,442/- recurring) while the expenditure in 1936-36 will be Rs. 684/- (Rs. 180/- non recurring and Rs. 504/- recurring).

Finance (E.II)

Edn & P.H. propose to treat the M' on p1 above proposal for the employment of an additional staff nurse in the Govt. Headquarters Hospital, Mangalore as a Part II Scheme for 1937-38. Submitted that as the additional staff nurse is required to deal with normal ~~xxxxxxxx~~ work the proposal need not be treated as a Part II scheme - see '2' on p 7 of G.O. 307 (D) Finance (Reforms) d. 24.6.1936. The proposal can therefore be sanctioned and provision included in Part I of the estimates for 1937-38. Edn & P.H. may obtain the orders of Govt. for inclusion of the necessary provision in the B.E for 1937-38.

2 From the statement on p1 above it will be seen that the present staff is below the permissible limit. The extra nurse asked for may be agreed to in Finance as it is reported that the present staff is inadequate to make any satisfactory arrangement for carrying on the nursing work of the hospital (day and night) - page 4 C.F. | p4 C.F. GS/1.8.36

3 As the proposal need not be treated as a Part II scheme, the additional nurse may be sanctioned temporarily for one year in the first instance with effect from April 1937 ~~xxxxx~~
